

**Thank you for attending this weekend's**

**Brought to you by**

A wide-angle photograph of a large indoor concert venue. The stage is at the far end, featuring a large, illuminated disco ball hanging from the ceiling. A band is performing on stage, with a lead singer in a white shirt and blue jacket, a guitarist, and a drummer. Two large projection screens on either side of the stage show a close-up of the lead singer. The audience, consisting of many people, is seated at tables in the foreground, some with their arms raised. The venue has a high ceiling with exposed wooden beams and a series of warm-toned string lights hanging from the ceiling. The walls are made of stone or brick. The overall atmosphere is lively and festive.
