

Over the past couple decades, the Great Northern Blues Society has been involved in sponsoring and helping with some of the finest entertainment events held in the Central Wisconsin area with limited corporate sponsorships. We would like for that to change and we need your help to make that happen. If you go to our website – www.gnbs.org – you will see some of the great things that we have been able to do for the community, and with your support, we hope to do better in the future.

As you know, in today's world of limited budgets, it is becoming increasingly more difficult for these musicians to survive while perfecting their craft. Please help us continue with these much-needed services for them and our community. We thank you for any consideration you are able to provide. A Sponsorship/Membership Form for you is provided below. Please use it if you can.

Thank you!

	Bronze Corporate	Silver Corporate	Gold Corporate	Platinum Corporate
