

TO OUR CAFÉ ATTENDEES...

To better safeguard our attendees during the coronavirus scare, we ask for your cooperation at the 21st Annual Blues Café.

- Hand sanitizer dispensers will be available for free at multiple locations throughout the Rothschild Pavilion during the show. Please use them when needed. If you cannot locate one please ask one of the GNBS Members for assistance to locate one when needed.
- Please refrain from excessive hand shaking, hugging, and unnecessary bodily contact to minimize possible risks.
- If you feel the urge to cough and/or sneeze PLEASE take care to cover your mouth when doing so, and carefully dispose of, or contain, any tissues, handkerchiefs, etc. used when doing so.

We want everyone to reap maximum enjoyment at our show, but we do not want anyone to take unnecessary risks while doing so. Above all else we care deeply about you, our loyal fans, and any friends, or relatives, that you have brought with you today.

Thank you for your understanding, and cooperation, during these times of concern.

The GNBS Board
